Vendor & delivery protocol (KRSC policy VS-04)

> • Vendor reps check in at the front desk via the vendor credentialing app. Credentials must be current.
> • **Loaner instrument sets must be in KRSC Sterile Processing by 9:00 AM the business day before surgery.** Sets that arrive late may delay or cancel the case.
> • Ship-to-case implants are delivered to Materials (dock B) by 9:00 AM the business day before, labeled with surgeon, date and room.
> • Consigned stock is counted monthly by the distributor. Usage is billed from the implant log and a PO is issued within 5 days.
> • The two-week schedule is issued every other Monday. Changes and add-ons are emailed to authorized vendor reps by the surgeon's scheduler.
